Workshop on the Economic Response to Covid-19

The COVID-19 pandemic has changed the economic landscape around the world. At this workshop, researchers and policymakers from across Europe will present findings on how the pandemic has affected the economy and the impact of government interventions to mitigate the economic damage. Attending the conference is free of charge and open to all.

Organisers: Christoph Görtz and Danny McGowan

Date: July 20, 2021

Venue: online. Registration and Zoom links are available [here](#).
